

# ELECTRICAL CONTACT CLEANER

## PROFESSIONAL STRENGTH CLEANER

### DESCRIPTION:

Professional strength cleaner specifically designed to remove grease, oil and other contaminants from electrical components. Unique and proprietary formulation displaces moisture and is completely non-corrosive and non-staining. CFC-free and VOC compliant cleaner safely cleans electrical components, dries quickly and leaves behind no moisture, residue or film.

### FEATURES & BENEFITS:

- Formulated specifically to clean and dry electrical components
- Industrial strength cleaners remove grease, oil and other contaminants
- Dries completely, leaving no film, residue or moisture droplets
- Pleasant citrus scent for indoor use
- Contains no CFC's and is 50 state VOC compliant

### APPLICATIONS:

For use on electrical engine components, ignitions, switches and electrical assemblies. Avoid spraying on painted surfaces. May be harmful to some plastics.
